Hi Sunil,

Unfortunately no there isn't, previously inspections were required for vehicles to renew registration here in Texas.

It would be difficult to get the vehicles in for said inspections, so the registration would end up being past due, leaving a gap as you see here

Subject: Re: TCEQ Grant - Documents

Thank you Tina - Quick question. On the 13788, the two registration documents you sent (attached), the registration periods are

1. Feb 2023 to Jan 2024 and
2. August 2024 to July 2025.

Is there something for the period in between?

The other documents look fine.
